

3.5T Front end Loader

T-REX935S

HIGH EFFICIENCY

- Weichai Engine Tier 2/3, higher power to 105kW
- The energy-saving low-speed engine fits well with the high-efficiency and realizes a comprehensive energy saving of more than 10%
- 2nd generation engine body, more robust and can lengthen the maintenance period, reduce the operating cost

HIGH RELIABILITY

- Axis-Fixed power shift gearbox with high/low speed, F4/R2
- Easy operation, high reliability, convenient maintenance

HEAVYDUTY

- Second generation enhanced driving axle is the best in performance, with large bearing capacity to meet the driving force and escape ability of bad conditions
- Stable and reliable performance, convenient operation and maintenance

COMFORTABILITY

- Arc shape front glass, giving more operating spaces and good vision
- New H series cab, larger space, better sealing performance, more comfort and low noise
- More air vents and new rock switch arrangement bring you good driving experience

SERVICEABILITY

- New Engine hood provides larger opening angle, enable the technician do the service and repair easily
- Side-opening type steel-made engine hood with large side door, which is easy to maintain. Oil filters, air filters are all arranged in one side, which enable the maintenance at one stop

Specs

General Specs

Operating weight	10940kg
Bucket capacity	2.1m ³

Rated load	3500kg
Rated power	105kW
Length×Width×Height	7320x2520x3170mm
Wheel base	2850mm
Max.dumping height	2930mm
Dumping distance	1140mm
Steering angel	37°
Engine Model	WP6G140E22
Emission standard	GB 20891-2007
Max.tractive force	100kN
Max.breakout force	96kN
Gears	Forward 4 reverse 2
Total time	9.2s
Fuel tank capacity	200L
